The objectives of the courses is to acquaint the students with skill oriented courses and the ideals and path breaking revolutionary works of these ideal leaders of India.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

The college with the help of concerned departments designed the syllabus for these courses. 30-40 students are enrolled for each course. At the end of the course, the performance of students is assessed on the basis of written examination. The students are benefitted with a certificate which will be fruitful in their future career.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

Best practice No. 1

Title : Distribution of Merit Prizes to students:

Goal:

To inspire a competitive mentality and to motivate the students to secure more marks than his/her peers in the vicinity in the university examinations. This will indirectly motivate the students to get more marks in the examinations.

Content/Practice:

Immediately after the publication of university results a list of students (Boys & Girls), who have secured 60% and more marks, is prepared. The top most two students who have scored I & II rank in the order of merit from each stream are selected as eligible candidates for the scheme of award of cash prize with a certificate of honour. These prizes are distributed to them in a programme at the hands of chief guests. The scheme is instituted and sponsored by the founder president of our parent institution Late Bhujangrao Patil Kinhalkar. He deposited the amount of Rs. 46542/- in a bank as a fixed deposit. The interest earned on the same is utilized to offer cash prizes for meritorious students after the names of his father and mother Viz.-

- Late Satwaji Patil Kinhalkar Prize (for Boys)
- Late Manjulabai Patil Kinhalkar Prize (for Girls)

Evidence of Success:

This scheme was started with a grand motto and got great response. The beneficiaries of the scheme are in increasing trend from its beginning, and thus, in turn, helped in sustaining the momentum in achieving bright success in university examinations.

Problems faced and Resources required:

Equitable distribution of prizes among the students of each faculty is not possible.

Best practice No. 2

Title : Guest Lectures and Workshops:

Guest lectures and workshops are conducted by almost all the departments to enrich students Knowledge.

Goal:

To equip the students with the current and practical knowledge to enhance the presentation skills of the students.

Content/Practice:

Every department volunteerly organizes guest lectures and workshop by drawing eminent academicians/ experts as resource persons. These programmes are planned in advance so as to optimize the resources without duplication and benefitting the most. All the activities are organized without disturbing regular academic schedule.

Evidence of Success:

During last five years the departments of Sociology, Political Science, Hindi, History and Economics have organized national seminars seeking the required financial assistance from UGC and the college.

The feedback received from the students and staff members encourage the continuance of the scheme.

Problems encountered and Resources required:

Inadequacy and/or non-availability of funds required poses problems since the college does not receive non-salary grants from the state government.

7.4 Contribution to environmental awareness / protection

The college campus has enough greenery with ample number of trees. The department of NSS takes care of making the campus verdant by planting saplings every year. The saplings are watered manually and also by drip irrigation system. The NSS volunteers take care of maintaining the campus eco-friendly. Besides, the college attempted to conserve energy, harvest rain water etc. Efforts are also made for carbon neutrality and hazardous and e-waste management.
