The administration of the college has always encouraged the faculties for extensive use of advanced technology for academic purpose. Teachers and students increased their access of ICT in teaching-learning process, e-facilities of the library, etc.
5. The mentor Mentee scheme was implemented in the college from the academic year 2019-20. It has proved to be of great help for a number of students. After the Covid-19 affected year of 2020-21 it is observed that student require proper mentoring more than before.
