College has a glorious history of its own, it was founded as an undergraduate & Post Graduate college offering Arts, Commerce & Science courses along with B. Voc. and Community College Certificate Programmes. The College was established in 1989, initially our college was affiliated to Marathwada University, Aurangabad till 1994, from onwards college is affiliated with S. R. T. M. University, Nanded. Since college establishment we have consecutively receiving various honors from state govt., Parents University and various other agencies, continuing our best practices we have received **Best Principal Award** in the year 2017 & **Best College Award** in the year 2018 by S. R. T. M. University, Nanded, The College is Continuously provided educational facilities to rural and tribal students in the region, hence students are grabbing challenges of millennium and acquires better career opportunities both in private and government sectors. Hence its credit goes directly to the disciplined administrator, hardworking teaching faculties, Non teaching staff and healthy support in the form of text, reference books, research Journals, periodicals from the library. The college therefore desire to seek the approval to continue these activities undertaken in future also.

## ABOUT WORKSHOP

The research methodology Workshop is expected to cover the fundamentals of research methodology focusing on theoretical and practical inputs. Specifically, the formulation of research problem, formulation of research hypothesis and testing of hypothesis, conducting literature review, data collection methods, selection of appropriate parametric or non-parametric statistical method for analyzing data, and report writing etc.

## WHO SHOULD ATTEND

Faculty Members, Research Scholars, UG and PG Students of the S. R. T. M. University, Nanded and Affiliated College.

## OBJECTIVE OF WORKSHOP

The workshop is designed to impart the participants with knowledge of research methods, research process, and use of research tools and techniques, writing and presentation skills to the young researchers. The specific objectives of the programme are:

- ☞ To familiarize participants with basic research methods (both qualitative and quantitative)
- ☞ To enhance knowledge base and develop skills of participants for selecting appropriate research technique
- ☞ To provide guidelines about project report, dissertation, thesis, manuscript and project proposals writing
- ☞ To provide the participants with a broad overview of design of experiments techniques

By the end of the programme, the participants should be confident in using the right methods and tools to carry out their research work.
