6.2.2: Implementation of e-governance in areas of operation

Administration:

The integration of ICT helps to reduce the intricacy and enhance the overall administration of higher education. Electronic Governance (e - Governance) is the use of Information and Communication Technologies (ICT) in governance. It helps in delivering cost-effective and easy to access services. The college used Campus Management system of Mastersoft Cloud for dissemination of various notices to students through the SMS service offered by the software. It also facilitated in improving processing of several transactions like salary bills, income tax and other deductions. The college plans to include management of teaching plan, leaves,etc. by using this software in the future.

Finance and Accounts:

Centralized Campus Management System is a cloud-based ERP system useful for maintaining any number of Accounts (Cash books). Integrated with Fees and Payroll modules. It reduces efforts in Account section work such as Vouchers, Ledgers, Balance Sheet, Receipt & Payment, Income & Expenditure statements, Schedules, Generate Receipts. Make Payment & JV entries and is more transparent.

Student Admission and Support:

Digambarrao Bindu Arts Commerce and Science College Bhokar has adopted cloud-based ERP College Management System (Mastersoft Cloud) from the academic year 2018-19. The college management system is a cloud based educational ERP software that enables institute to manage online admission, Daily Fees Collection, and Student's Information on single click. It can also generate online students' related documents such as bonafide, Admission Register, Transfer Certificates, Migration TC, etc. We have Soul

2.0 in college library which is a Digital Platform developed by National Informatics Centre, Ministry of Electronics and Information Technology, Government of India for Automation of library resources.

Examination:

The college has adopted e-governance in various processes related to examinations. The examination forms and marks of internal examinations and practical are submitted online.

Moodle LMS

Considering implementation of New National Education Policy College has initiate Moodle LMS TO improves online teaching and leaming for educators, learners and administrators.
